PROFESSION OF INSURANCE SINCE 1903

November, 2012

To All Our Valued Friends:

One sentence in our mission statement is, "We will be a participating member of our community and will encourage our associates to be involved in appropriate communal activities."

It has been a tradition at Schechner Lifson to make charitable contributions each December in honor of our many friends, clients, carriers, and partners who have enriched our lives during the past year. We have done this for more than 35 years as our way of thanking those who have participated in our successes while giving back to the community.

In light of the terrible destruction in our own state from Hurricane Sandy, we've decided to focus our efforts this year on this one cause, and to make our contributions a bit earlier than we usually do.

For our holiday contribution this year, we have sent 2 vans loaded with food, cleaning supplies, warm clothes, medicine, and personal hygiene products to the hardest hit areas of Monmouth and Ocean counties. These supplies will be distributed through the Food Bank of Monmouth and Ocean Counties in Neptune (www.foodbankmoc.org/) and, through a personal connection, to some of the smaller, local shelters and organizations in and around the Point Pleasant and Ocean Grove communities.

We are proud to add that many of the Schechner Lifson staff joined in the corporate effort this year, personally contributing and helping to fill the vans with needed materials.

We hope that these supplies will bring relief and hope to those in need while honoring you for your continued support and loyalty. We wish you, your family, loved ones, and all of us peace and happiness in the years ahead.

Michael R. Schechner, CEO

Marc A. Rosenkrantz, President
